Dear Mr. Falcam:

I sincerely appreciate your letter regarding Governor Bill Daniel's trip to the Trust Territory for an inspection of typhoon damage and recovery efforts, and thank you for your assistance to him during his visit. I now have his report, and am sure it will be helpful to those who administer the President's disaster relief program.

I regret that the Congress did not enact the legislation which I recommended for the establishment of a Status Commission to study plans for the future of the Islands of the Trust Territory, and certainly hope this will be done promptly by the next Congress.

Please be assured of my continued interest in the people and progress of the Trust Territory.

Sincerely,

Mr. Leo A. Falcam
Special Assistant
Office of the High Commissioner
Trust Territory of the Pacific Islands
Saipan, Mariana Islands
