Dear Don:

I'm sorry I missed you when I was in Seattle.

However, I did get your note and the enclosures.

The new High Commissioner for the Territories will be appointed in the very near future, I believe.

I would suggest that you be in touch with that person as soon as the appointment is announced.

Meantime, I will hold your letter on file and send it along to the appointee as soon as he or she is known.

It's good to hear from you.

Best regards.

Yours sincerely,

John D. Ehrlichman
