THE WHITE HOUSE  
WASHINGTON

Dear Bill:

Thanks for your note of October 25 on the  
Micronesian question.

I agree that a meeting is needed, and would  
be delighted to get together at your conven-  
ience. I expect that the Inter-Agency Working  
Group meeting on Wednesday will provide  
some thoughts as to where we go from here,  
which might serve as an informal agenda for  
the session.

Warm regards,

Henry A. Kissinger

Honorable William P. Rogers  
Secretary of State
