Dear Professor Freeman:

I have been asked to reply to your letter of October 18 to the President and Dr. Kissinger concerning Micronesian claims.

You inquire whether there is a central authority in the government with which you should take up the claims. I suggest that you be in touch with Mr. Harrison⁺Loesch, Assistant Secretary of Interior for Public Land Management.

I am passing a copy of your letter to Mr. Loesch for his information. I believe that you have already been in touch with Interior, and that you may expect an answer from them in the near future.

Sincerely,

Lindsey Grant
