NATIONAL SECURITY COUNCIL
WASHINGTON, D.C. 20505

April 8, 1970

Dear Fred:

Thanks for your letter of March 10 to Dr. Kissinger. He has asked me to acknowledge it in his behalf.

I called Dr. Kissinger's attention to the estimate contained in your letter. I think it is most useful for us to get this kind of evaluation from observers who may be both closer to the facts and less involved in the issues than we are.

Thanks again for taking the time to write the letter.

Sincerely,

Lindsey
