MEMORANDUM FOR MR. H. R. HALDEMAN

FROM: Dwight L. Chapin

RE: Territorial Governors - Monday's Meeting

Harry Dent informs me that the Territorial Governors of Guam, Virgin Islands, American Samoa, and the Trust Territory of the Pacific Islands are upset because they have not been invited to the Governors' Meeting on Monday.

Dent feels they should be included because:

1. They are considered members of the National Governors' Conference and attend the meetings of the Governors;
2. All four are Republicans -- with three running for the first time this year for re-election.
