Dear Thurmond:

This is just a note to thank you for your July 27 letter. I appreciate your kindness in letting me have your recommendation about Arvin H. X Brown, Jr. and I want you to know that your comments will receive the careful attention they deserve.

The support of the Clarkes can mean a great deal, as my own experience has taught so well. I am sure Margaret X Brock is delighted to have Athalie at her side and that George is grateful for her efforts.

Pat joins me in sending warmest personal regards to you both.

Sincerely,

RN

George MURPHY
