OFFICE OF THE SECRETARY

September 2, 1970

Dear Herb:

Many thanks for your letter of September 2 about KGO-TV's editorials on the Farallon Islands.

I checked with the Department of the Interior about your concern, and was told that you recently received a letter from Leslie Glasgow, Assistant Secretary assuring you that the Government has absolutely no intentions of allowing the Islands to be left unguarded.

The editorials, I am sure, served a fine public service in alerting everyone to the dangers and will be effective in gaining support for the necessary legislation to protect the islands even further. I was glad to learn of your efforts.

Thanks for your high marks for my talk in Utah. Yes, I did get to San Diego a few weeks later and was able to get in some golf for a few days. It was great.

With every good wish,

Sincerely,

Herbert G. Klein  
Director of Communications
