FROM: Dick Kennedy

John Holdridge in the attached memo recalls your note in forwarding to the President the recommendation for appointment of a personal representative for negotiations with Micronesia. The note is: "Send memo, but once Pres. approves I wish to take up before implementation again with Secretaries of State and Interior."

The President's first choice was outgoing Treasury Secretary Kennedy, and second choice Ambassador Ed Gullion. Secretary Kennedy should be notified (and in the event he is unavailable, Ambassador Gullion should be informed also).

I recommend that you call Secretary Kennedy to inform him of the President's desire that he serve as his personal representative in Micronesia negotiations.

Alternatively I could have Holdridge do so and also notify State and Interior.

I will call Secretary Kennedy _____

Have Holdridge call Secy Kennedy _____

Have Holdridge call State and Interior in either event _____

See me _____
