KISSINGER, HENRY A. / INU 1971 Colo.

Dear Mr. Six:

It was most kind of you to write and I very much appreciate the copies of articles on Micronesia which you included. I found Audrey's comments the other evening most interesting and I have enjoyed reading of your activities in the islands. Your invitation to the Lazy 6 Ranch was also most generous and I hope I may some day have the opportunity to accept your very thoughtful offer.

It was certainly nice to meet you and Audrey and I look forward to seeing you again.

Best regards,

Henry A. Kissinger
