MEMO FOR DR. KISSINGER

FROM: DICK KENNEDY

SUBJECT: Appointment with Dr. Williams

Since you had previously approved the concept of a Williams appointment with the President, I have forwarded the new request in your name to the President. The timing for the last appointment did not work out and Williams will again be in Washington on March 25 and 26.

The only addition on this memo is the request by John Holdridge for authorization to accompany Dr. Williams to the meeting with the President if you are unavailable.
