MEMORANDUM FOR SECRETARY MORTON

FROM: PETER M. FLANIGAN

Archbishop Raimondi, the Apostolic Delegate to the United States, has just completed a trip to the Trust Territories and to several Indian reservations. As perhaps you know, the Trust Territories are largely Catholic. In addition, the Church carries on substantial missionary activities in the Indian reservations.

In the course of his trip, His Excellency reached some conclusions and developed some ideas with regard to these peoples, which may be of interest to you. It occurred to me that you might wish to call Archbishop Raimondi at the Delegation and ask him if he would like to meet with you to discuss these matters of mutual interest. I would appreciate it if your office would inform mine when this call has been made.

bcc: The Most Reverend Luigi Raimondi
