ST51

Dear Mr. Alons:

Please accept President Nixon's thanks for forwarding a copy of the resolution adopted by the Palau Legislature to express sympathy and condolences to the parents and family of Captain John J. Kintaro who died so bravely in Vietnam.

Captain Kintaro's tremendous sacrifice is one no man can measure or describe, but the President wants you and those you represent to be assured that Captain Kintaro has earned the profound respect of the nation he died to serve. Those who valiantly give their lives to make the freedom of others possible live forever in honor.

With the President's best wishes,

Sincerely,

Michael B. Smith  
Staff Assistant
