Dear Senator Kabua:

This is to thank you, Speaker Bethwel Henry, and the members of the Congress of Micronesia for the impressive "storyboard" which Robert Finch kindly accepted on my behalf. Although I regret that my schedule did not permit me the pleasure of greeting your representatives and personally receiving this handsome gift, reflecting so vividly the culture of your Islands, I want to express my deep appreciation to all who participated in this presentation. This beautifully carved mural will serve not only as a token of the goodwill of the Micronesian people, but as a welcome addition to my collection of special artwork.

I was glad that Senator Olympio Borja and Representative Joab Sigrah were able to attend the recent White House Conference on Aging and hope that they found the sessions most informative and helpful.

With my best wishes to you and your colleagues,

Sincerely,

RICHARD NIXON
