Dear Mr. Klein:

I am a member of the law review at New York Law School and am at present preparing an article for publication on the future political status of the Trust Territory of the Pacific. According to an article in the New York Times of January 9, 1972, the White House released on December 30, 1971, a 148 page transcript of the negotiations between Ambassador Franklin Williams and the representatives of the Congress of Micronesia. I would appreciate a copy of this transcript to use in my research.

In addition, I would like to know if President Nixon has any plans to meet with Micronesian leaders when he stops on Guam on his way to China.

Thank you very much.

Yours truly,

*James Charles Dobbs*
