

MEMORANDUM

THE WHITE HOUSE  
WASHINGTON

JULY 10, 1972

ADMINISTRATIVELY CONFIDENTIAL

FOR JOHN WHITAKER

RE: Allegations of contract mismanagement  
in our Administration of the Trust  
Territory of the Pacific Islands

Attached is a memorandum to John Ehrlichman from  
General Haig which indicates that we have a potential  
scandal in the management of a contract assigned to  
the TTPI.

John has asked that I forward this to you and request  
that you look into these charges and determine how  
we should proceed from here.

Many thanks.

*John Haig*
