

United States Department of the Interior

OFFICE OF THE SECRETARY
WASHINGTON, D.C. 20240

DF

27 July 1972

MEMORANDUM

TO: John Whitaker, The White House

FROM: Royston C. Hughes, Assistant to the Secretary
and Director of Congressional Liaison

SUBJECT: Allegation of Contract Mismanagement in the
Trust Territory Administration

REFERENCE: My memorandum of July 19, 1972

The Civil Service Commission has now ruled that Lawrence D. Morderosian should have been given "bumping rights" when he was the subject of a reduction-in-force action and that consequently, Interior must offer him a suitable position. We are presently reviewing position possibilities to determine an appropriate vacancy.
