Dear Mr. Speaker:

Thank you, on behalf of the President, for your recent message of congratulations. He is heartened to know that he can count on your friendship and support in the years ahead.

Your interest in meeting with the President during your upcoming visit to the United States has been noted. I am sure you will understand that the President is unable to project his schedule for late March at this time. If you would care to contact us again when you have determined the exact dates you will be in the Washington area, we could consider your request in light of the President's schedule for that time.

With the President's best wishes,

Sincerely,

David N. Parker  
Staff Assistant  
to the President

Honorable Hermes Katsura  
Speaker of the Truk District
