Dear Chief Moses:

This is to thank you for the beautiful basket of gifts you presented during your visit to Washington last month. The grass skirts, mwaramwars, dancing paddles and other objects of Ponapean craftwork are indeed most impressive examples of Ponape's artistic traditions. I shall treasure them as symbols of the close friendship that exists between our two peoples.

May I also take this opportunity to extend to you and your family, as well as to the people of Ponape, my very warmest wishes.

Sincerely,

Honorable Johnny <sup>x</sup>Moses
