Mr. David M. Parker
Staff Assistant to the President
The White House
Washington, U. S. A

Dear Mr. Parker:

This is to thank you for replying my letter on behalf of
the President.

Yes, indeed I understand how busy the President is and
how difficult it is to project his schedule for the months
ahead.

I shall follow your kind advice to contact you again as
soon as I have determined the exact dates of my visits
around the Washington area. Of course I will be counting
on my luck if such great honor can be possible depending
on the President's schedule for that time.

I thank you again and wish you my best wishes for a Merry
Christmas and a Happy New Year!

Sincerely,

Hermes Katsura, Speaker
Truk District Legislature
