MOEN ISLAND, TRUK DISTRICT  
EASTERN CAROLINE ISLANDS 96942

FILE  
INDEXED  
MAY 1973

OFFICE OF THE SPEAKER

March 23, 1973

Mr. David N. Parker  
Staff Assistant to the President  
The White House  
Washington D.C. U.S.A

Dear Mr. Parker:

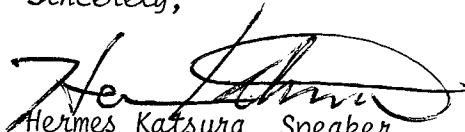

I know it takes several months for me to find out my exact dates to be around Washington. I will depart Truk on April 7 and will be around Washington from April 9 through 14.

It will be a great privilege and honor for me if I can even greet the President in five minutes on behalf of the people of my Truk District. However, if his schedule does not permit such privilege and an honor then there is nothing you can do about it.

I am only writing this letter as you have kindly suggested in your letter of December 2, 1972. I will be traveling from place to place in the mainland and its Territories for the entire month of April and if there is any luck please do not hesitate to let me know. A copy of my itinerary is enclosed for your information.

I will be counting on your kind assistance and support and will also look forward to meeting you if it is all possible.

Sincerely,

  
Hermes Katsura, Speaker  
Truk District Legislature

Main points of interest while visiting some States and U.S. Territories are fishing, farming and tourists attractions. Would also like to visit cultural centers, institutes and foundations for social programs such as juvenile delinquency, youth programs, etc. Would appreciate opportunity to see some small towns with small scale projects in social and economic development. Would like to visit Neighbor Islands in Hawaii.

Would also be interested in visiting and observing State and Territorial Legislatures.
