

THE WHITE HOUSE
WASHINGTON

April 1, 1973

Dear Mr. Speaker:

Thank you for your recent letter regarding the possibility of arranging an appointment with the President during the time you will be in Washington, April 9 through 14.

The President is most appreciative of your interest in greeting him on behalf of the people of your Truk District. Although he would like to have the opportunity to personally welcome you to the White House, his official schedule for the time you will be in Washington is so crowded that this will not be possible to arrange.

However, Special Assistant to the President Michael Farrell would be pleased to greet you and arrange a tour of the White House at the time of your visit. I would suggest that you contact Mr. Farrell directly at 456-2322.

With the President's best wishes for a most successful and enjoyable journey throughout the United States,

Sincerely,

David N. Parker
