Memorandum

To: Mr. Kent Crane, Assistant Director (East Asia and Pacific)
U.S. Information Agency

From: Mr. James Wilson, Deputy Representative for Micronesian
Status Negotiations

Subject: Public Affairs Officer for Micronesian Status Negotiations

1. Following our conversation of the other day I talked with Stan Carpenter regarding his needs and desires so far as the Interior Office of Territories and the High Commissioner were concerned. We agreed that I would resume Hadyn Williams' needs on paper to see how they might dovetail with Stan's and also give Stan an opportunity to discuss the matter with the High Commissioner during his forthcoming trip.

2. The attached outline went to Stan last week. A copy of his reaction is also attached.

3. I will keep you posted on any future developments. Meanwhile any of your ideas would be welcome.
