MEMORANDUM FOR

Ambassador F. Haydn Williams
The President's Representative for
Micronesian Status Negotiations
Department of Interior

SUBJECT:

Supplementary Instruction to the President's
Basic Negotiating Instruction of May 9, 1973
on the Future Status of the Marianas District

You are hereby authorized to inform the representatives of the Marianas District as follows: as regards annual U.S. financial assistance to the Marianas District, the U.S. Government will review periodically the agreed-on level of such assistance to consider such adjustments as may be required by changes in the value of the U.S. dollar.
