July 8 - Initial Meeting A.M.  
(Principals Only)

- Organization
  - Informal discussions on Carmel pattern; indeed consider Guam a <sup>continuation</sup> ~~combination~~ of Carmel after both sides have had opportunity to discuss results internally.
  - Attendance and procedures like Carmel
  - Limited U. S. advisors:
    - Scott (Defense matters)
    - Stowe (State & Legal)
    - *Bergeson (if needed)*
  - Place of Meetings - Guest House if agreeable to JCFS
- Schedule
  - U.S. comments on Carmel draft limited and non-substantive (Salii already has copies sent by Warnke's office)
  - U.S. has now had opportunity to review Salii's informal suggestions for changes
  - Therefore, suggest we begin with those and let Salii take up in order:
    - Comments on foreign affairs
    - Comments on other sections of compact
  - Then discuss the following when we have finished:
    - Land surveys
    - Transition
    - Other related matters
- Press and public
  - No details
  - Statements simply that principals' meeting informally again on both sides as follow-on to Carmel informal talks in anticipation of next formal meeting.

- Will again have to report results on both sides and consult.
- Intervening events since Carmel
  - Activities in Marshalls (Silk)
  - Palau land survey request
    - FHW plans to visit Palau after Guam meetings to set up arrangements for actual survey under Crowe
    - Would welcome Salii company and appreciate any suggestions on arrangements
- Upcoming Special Session of COM
  - Prospects for Revenue Sharing
  - Prospects for Public Land Legislation
  - Constitutional Convention Bill
