

January 20, 1975

Dear Senator Johnston,

Your letter of January 13, 1975 indicates you have not received a reply to your letter of December 5, 1974 regarding an inquiry of Mr. Santiago B. Magnofna of Saipan.

A check of our records indicates that I replied to your letter on November 22, 1974. A copy is enclosed herewith for your information.

We are still in the process of discussing the details of separate administration with representatives of the Marianas. Haydn Williams and I will be happy to talk about these further when we see you on the 21st of this month.

With best regards.

Sincerely yours,

/s/

J.M. Wilson, Jr.
U.S. Deputy Representative for
