MEMORANDUM FOR: THE PRESIDENT  
FROM: HENRY A. KISSINGER t/k  
SUBJECT: Letter of Appreciation to  
Ambassador F. Haydn Williams

Ambassador F. Haydn Williams, your Personal Representative for Micronesia Status Negotiations, has just concluded the difficult negotiation for a Covenant of political union with the Northern Marianas. This is a major step in the creation of a new relationship between ourselves and Micronesia.

I believe Ambassador Williams deserves congratulations for a job well done and that he also warrants encouragement for the long and difficult negotiations still ahead with the other five districts of Micronesia.

Paul Theis' office has cleared the text of the proposed letter.

RECOMMENDATION:

That you sign the letter to Ambassador Williams at Tab A.
