May 2, 1975

Dear Ambassador Williams:

I congratulate you on our signing of a Covenant of Political Union with the Northern Marianas.

Though I know much remains to be done, you have completed another essential step toward new relationships with the Northern Marianas and the other five districts of the Trust Territory of the Pacific Islands.

I wish you well in your further efforts to consummate this new relationship with Micronesia.

Sincerely,

Gerald R. Ford

The Honorable Franklin Haydn Williams
