

THE WHITE HOUSE
WASHINGTON

27 June 1975

Bud:

Re the Marianas Covenant -

1. Jay Taylor has informed me that June 19 Canham letter to President is incorrectly dated; it should read June 22. Therefore, Canham is rewriting the letter as is but with proper date - June 22. Thus the June 22 certification ? stated in President's letter to Pres. of Senate is correct. (Taylor will send us copy of revised letter.)
2. Taylor's contact at OMB is Larry Cardwell who has contacted (a) all appropriate departments in OMB and obtained clearance; and (b) the OMB Gen. Counsel's office who claim they do not have to clear Covenant.
