MEMORANDUM FOR JEANNE W. DAVIS

FROM: WILLIAM GLEYSTEN *WJ*

SUBJECT: Review of U. S. Policy on Micronesia's Future Status

Attached is a memorandum for your signature to the NSC Under Secretaries Committee granting them an extension on submission of the review of U. S. policy on Micronesia's future status. We do not anticipate pushing the review forward for Presidential decision but believe that it will still be useful to have the inter-agency recommendations.
