ACTION

MEMORANDUM FOR: ZBIGNIEW BRZEZINSKI
FROM: MIKE ARMACOST *MA*
SUBJECT: PD on Micronesian Status Negotiations

Attached is a draft PD on Micronesian status negotiations (Tab A). It reflects the conclusions reached in the PRC meeting on April 4. Essentially the principles of free association amount to a refinement of the approach envisaged in PD/NSC-11. There was Inter-agency agreement that free association based on these principles would adequately protect our basic interests. The State Department and our negotiator, Peter Rosenblatt, consider them negotiable. The negotiations on these principles come tomorrow in Hawaii. Thus the need for an immediate decision.

RECOMMENDATION:

That you sign off on the PD yourself.

Approve _____ Disapprove _____

Alternatively, that you sign the attached memorandum to the President at Tab I seeking his approval.
