MEMORANDUM FOR: ZBIGNIEW BRZEZINSKI

FROM: NICK PLATT *MP*

SUBJECT: Proposed PRC Meeting on Micronesia  
Status Negotiations (U)

The Micronesia Interagency Group has determined that the financial arrangements authorized under PD-11 will be insufficient to conclude a satisfactory political arrangement with the three Micronesian entities. The Interagency Group is finalizing a new financial package for PRC consideration which would secure the free association relationship we have been pursuing. *(c)*

Ambassador Peter Rosenblatt has invited the Micronesian leadership to attend a Chiefs of Delegation meeting starting May 29. We will need to schedule a PRC meeting early during the week of May 21 to consider modification of Ambassador Rosenblatt's instructions. *(c)*

RECOMMENDATION:

That you approve scheduling a PRC meeting on Micronesia early next week.
