

THE PRESIDENT'S PERSONAL REPRESENTATIVE
FOR MICRONESIAN STATUS NEGOTIATIONS
WASHINGTON, D.C. 20240

December 28, 1979

MEMORANDUM FOR DON GREGG

Just a reminder from last night:

The Micronesian Governments have been informally advised that our conference is to begin in Kona, Hawaii on Monday, January 7.

However, the invitations cannot be sent out until the President has acted on the decision memorandum, the first issue presented, in particular. Accordingly, it is a matter of the greatest urgency that the memorandum be brought to his immediate attention.

If he acts on it over the weekend could someone be primed to call me at home at (202) 244-8070 or (202) 363-0500 to give me the results? I will have the telegrams bearing the invitation prepared and ready to go.

Peter R. Rosenblatt
Ambassador
