Dear Mr. Farrow:

Thanks for your letter of May 15, 1980, which keeps me abreast of the Administration's attitudes and actions regarding the inapplicable maritime issues relating to Guam and the Northern Mariana Islands. It seems to me that all of us are working positively and harmoniously on the issues as they present themselves at this time.

Please continue to keep me informed so that this good working relationship will continue.

Best personal regards and a warm

Hafa Adai,

CARLOS S. CAMACHO
Governor
