MEMORANDUM FOR BUD NANCE

FROM: JIM LILLEY W

SUBJECT: Presidential Decision on the Future  
Political Status of Micronesia (S)

On August 20 I forwarded to Dick Allen an NSDD on Micronesia. The package was sent forward via Dick Darman on August 21. An unsigned "note for file," dated August 31, informs us that the "item is with Darman and it is felt it should be an NSC agenda item."

Could you please see that this gets on the NSC agenda as soon as possible? We need a decision by September 30.
