CEC RESOLUTION NO. 7-1

A RESOLUTION

Urging the Congress of the United States of America to take prompt and favorable action on the Compact of Free Association between the United States of America and the Federated States of Micronesia, and for other purposes.

1 WHEREAS, on October 1, 1982, the Government of the
2 Federated States of Micronesia, and the Government of the
3 United States of America executed a Compact of Free
4 Association, culminating 15 years of evaluation and
5 negotiations on the question of the future political
6 status of the Federated States of Micronesia and its
7 relationship with the United States of America; and

8 WHEREAS, on June 21, 1983, a United Nations-observed
9 plebiscite on the future political status of the Federated
10 States of Micronesia was held, with 79% of the voters
11 participating in the plebiscite choosing to approve the
12 Compact of Free Association; and

13 WHEREAS, the plebiscite constituted a valid act of
14 self-determination by the people of the Federated States
15 of Micronesia, and was conducted in such a manner as to
16 represent a free and voluntary choice by the citizens of
17 the Federated States of Micronesia as to their future
18 political status and relationship with the United States
19 of America through informed and democratic processes; and

20 WHEREAS, promptly following the plebiscite, the
21 Compact of Free Association was approved unanimously by
22 the Congress of the Federated States of Micronesia and
23 the requisite number of State Legislatures of the
24 Federated States of Micronesia in accordance with the
25 constitutional processes of the Federated States of

1 Micronesia, as required by section 411 of the Compact of
2 Free Association; and

3 WHEREAS, it is now approaching two years since the
4 people and governments of the Federated States of
5 Micronesia clearly expressed their deep desire to
6 terminate the United Nations Trusteeship which has now
7 endured for almost 38 years, and to enter into a free
8 association relationship with the United States of
9 America, based on mutual cooperation and friendship; and

10 WHEREAS, approval of the Compact of Free Association
11 without further delay is in the interest of the people and
12 governments of the Federated States of Micronesia to
13 complete their transition to full self-government
14 according to their clearly expressed desires; and

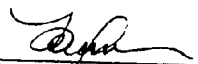

15 WHEREAS, it is also essential to the interests of the
16 United States of America to foster long-term stability and
17 close relationships in the region and to facilitate timely
18 termination of the last U.N. Trusteeship by approving the
19 Compact of Free Association with undue delay; now,
20 therefore,

21 BE IT RESOLVED, by the Seventh Chief Executives'
22 Conference of the Federated States of Micronesia, that the
23 Congress of the United States is urged to approve the

A RESOLUTION

Urging the Government of the United States to promptly resolve outstanding Trusteeship obligations and take steps to ensure a smooth and orderly transition to Free Association between the United States of America and the Federated States of Micronesia.

1 WHEREAS, on October 1, 1982, the Government of the
2 Federated States of Micronesia and the Government of the
3 United States of America executed a Compact of Free
4 Association, which will serve as the basis for termina-
5 tion of the "Trusteeship Agreement for the Former Japanese
6 Mandated Islands"; and

7 WHEREAS, the Compact of Free Association has been
8 approved by the people and governments of the Federated
9 States of Micronesia in accordance with the constitutional
10 processes of the Federated States of Micronesia and the
11 terms of the Compact; and

12 WHEREAS, the Compact of Free Association is now
13 pending before the Congress of the United States for
14 approval; and

15 WHEREAS, the people and governments of the Federated
16 States of Micronesia deeply hope and desire that the
17 Compact of Free Association will be approved by the United
18 States Congress and the Trusteeship terminated early in
19 1985; and

20 WHEREAS, under the present Trusteeship Agreement, the
21 Government of the United States agreed to "promote the
22 economic ... social ... and ... educational advance-
23 ment ..." of the people of the Federated States of
24 Micronesia in fulfillment of the United States' obliga-
25 tions under the United Nations Charter; and

1 WHEREAS, the people and governments of the Federated
2 States of Micronesia have repeatedly raised over a number
3 of years certain issues, including funding for the
4 construction of new national capital facilities in
5 Pohnpei; funding for a new campus to replace the existing
6 deteriorated and inadequate facilities of the Community
7 College of Micronesia; full completion of the five-year
8 Capital Improvement Program and correction of deficiencies
9 in existing infrastructure, particularly public facilities
10 such as schools and hospitals; funding for the prior
11 service benefits program; compensation for past and
12 future use of indefinite land use properties; and war
13 claims; and

14 WHEREAS, the Federated States of Micronesia considers
15 the above-mentioned matters to be outstanding Trusteeship
16 obligations; and

17 WHEREAS, these matters were not addressed in the
18 Compact negotiations, on the assumption that the United
19 States Government would fulfill its obligations prior to
20 the implementation of the Compact; and

21 WHEREAS, fulfillment of these obligations is
22 essential to achievement of the goals forming the founda-
23 tion of our future free association relationship with the
24 United States and our mutual objective of achieving
25 increased economic development and self-sufficiency; and

1 WHEREAS, upon implementation of the Compact of Free
2 Association, the Federated States of Micronesia will face
3 an overall reduction of around \$16.0 million in U.S. grant
4 assistance available for operational and service
5 activities, particularly as the result of the termination
6 of U.S. federal programs; and

7 WHEREAS, immediate withdrawal of U.S. federal
8 programs, without careful formulation of transition plans
9 for the phase-out or replacement of these programs, will
10 have serious adverse impacts on essential services
11 currently provided to our people, particularly in the
12 health and education areas, and equally negative impacts
13 on our employment and tax bases; and

14 WHEREAS, in the Compact of Free Association, the
15 United States Government has agreed to provide the
16 Federated States of Micronesia with technical assistance,
17 and continuation of such technical assistance,
18 particularly during the transition to free association, is
19 imperative; now, therefore,

20 BE IT RESOLVED, by the Seventh Chief Executives'
21 Conference of the Federated States of Micronesia, that the
22 United States Government, in connection with its
23 consideration of the Compact of Free Association, is urged
24 to take action to resolve its outstanding Trusteeship
25 obligations, either by appropriating funding in FY 1986 or

1 making a firm commitment now to appropriate the necessary
2 funding in the future; and

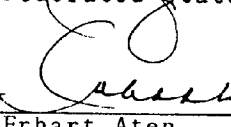

3 BE IT FURTHER RESOLVED, that the United States
4 Government is urged to take steps to ensure successful
5 implementation of the Compact of Free Association,
6 including enactment of the authorizations and appropria-
7 tions necessary for a smooth and orderly phase-out or
8 replacement of U.S. federal programs and for continued
9 provision of technical assistance on a non-reimbursable
10 basis; and

11 BE IT FURTHER RESOLVED, that certified copies of this
12 resolution be transmitted to the President of the United
13 States of America, the Speaker of the United States
