Dear Mr. President:

I have the pleasure of sending you a copy of CEC Resolution No. 7-8, which was adopted by the Seventh Chief Executives' Conference of the Federated States of Micronesia meeting in Truk State from March 11-15, 1985. The resolution urges the United States Government to continue and expand Farmers Home Administration programs in the Federated States of Micronesia now and after the effective date of the Compact of Free Association. The resolution also addresses the need to extend Farmers Home Administration programs to the State of Kosrae.

Any assistance you can provide to help us accomplish the goals set forth in the mandate of the resolution will be appreciated most gratefully by the people and the Chief Executives of the Federated States of Micronesia.

Sincerely,

Tosiwo Nakayama
