MEMORANDUM FOR RONALD K. SABLE

FROM: DAVID N. LAUX *DL*

SUBJECT: Reply to Congressman Lagomarsino's Letter to Don Fortier

When Don Fortier sent me Lagomarsino's letter to prepare a reply, I assumed his wording meant that I should send (and sign) it on his behalf. However, per your request I have rewritten the letter as you suggest. Since Don is not and apparently will not be with us for some time, I have made it for signature by you.

I recommend you sign the letter ^{to} Congressman Lagomarsino at Tab I. FYI, at Tab II is Lagomarsino's letter with a copy of Manase Mansur's study.
