Honorable John A. Svahn
Assistant to the President
for Policy Development
Washington, D.C.

Dear Mr. Svahn:

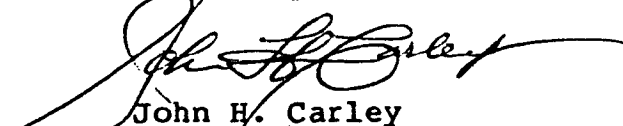

Enclosed, in accordance with the provisions of Executive Order No. 11030, as amended, is a revised version of a proposed Executive order entitled "Management of the Compact of Free Association with the Republic of the Marshall Islands, the Federated States of Micronesia and the Republic of Palau."

The revised version of the Executive order incorporates the changes agreed to by the agencies at a meeting on May 14th and in further discussions among the agencies on bilateral issues since that meeting.

Also enclosed is a list, prepared by OMB staff, of other authorities delegated to the President by the implementing legislation. We would appreciate your views as to which of these authorities should be delegated at this time; the agency to which they should be delegated; and the terms and conditions, if any, under which the authority should be delegated.

It is our intention to begin the final clearance process for this order promptly, upon confirmation that the revision resolves all concerns noted in response to earlier requests for comments. On behalf of the Director of the Office of Management and Budget, I would appreciate receiving any comments you may have on this version of the Executive order. All comments should be transmitted to Mr. John F. Cooney of this office (395-5600) by no later than Monday, July 28, 1986.

Sincerely,

John H. Carley
General Counsel
