Public Relations Department  
Office of The President of  
The United States  
Washington , D.C.

Dear Sir :

Enclosed is our letter addressed to the State Department,  
whom we believed to be the proper party for the requested information.

It has been sent to the wrong party.

As the compact and bill were signed by the President, it  
appears that your department is the logical party to ask for a copy  
of the following items:

1. Bill recognizing the Marianas Islands to be now known as the Commonwealth of The Northern Marianas
2. The Compact of Free Association With The United States by the Trust Territory of the United States by Palau.

Thank you for your co-operation in this matter.

Respectfully submitted,

  
George Lee
