Dear Mr. President

I am forwarding this humble communications to you to express my personal appreciation and that of the Community that I represent in the Pohnpei Legislature for the services of The Civic Action Team based on the island of Pohnpei. Over the years that the Civic Action Team has been based here, it has, in my opinion served our community through the programs it has excuted and demonstrated its responsiveness to the needs and sensitivites of our community.

It is my personal hope that the coming years will witness an even more aggressive and community based program activities of the CAT Team to the benefit of all our communities.

I thank you for the opportunity to express my personal evaluation of the Civic Action Team of Pohnpei.

Sincerely

Senator William Eperiam
