Dear Mr. Weisgall:

On behalf of the President, I wish to acknowledge your recent letter in which you suggest a White House celebration to commemorate the signing of legislation which will return Bikini Island to the Bikinians after forty-two years.

Although the President would be pleased to greet the Bikini Atoll representatives to mark this event, his heavy schedule commitments during November and December will preclude that possibility.

The President asked me to thank you for your interest in writing, nevertheless, and to send his best wishes.

Sincerely,

FREDERICK J. RYAN, JR.
Assistant to the President
